Technical Data Sheet

Description

Majestic Yellow Universal Antifreeze / Coolant is a premium quality antifreeze / coolant that is compatible with all automotive and light duty truck antifreeze / coolant products. In automobiles, this antifreeze should provide service life in excess of 5 years or 150,000 miles. It is ideal for initial fills, coolant change-outs or top-offs. Majestic Yellow Universal Antifreeze / Coolant not only guards against freezing and boil-over, but it also provides critical protection against corrosion forming on system components, including aluminum. Majestic Yellow Antifreeze is available as a concentrate and as 50/50 pre-diluted.
